Hazel Park's College & Career Readiness Night — November 10th!

Dear Viking Families,

We are excited to invite you and your student to our **2nd Annual College & Career Readiness Night** on **Tuesday, November 10th** designed especially for families of **8th–11th graders**.

This event will showcase the many postsecondary pathways available to Hazel Park students—including **Advanced Placement (AP) courses, Career & Technical Education (CTE) programs, Early Middle College, Dual Enrollment, the Chrysler School-to-Work Program, and Promise Zone scholarship opportunities**.
Families will enjoy a **free dinner**, receive **Hazel Park swag**, and learn about resources that can help students plan for college, careers, and future success. Teachers, counselors, and program leaders will be available to answer questions and help students explore the right pathways for their goals.

We hope you will join us for an informative and engaging evening that highlights the incredible opportunities available HPHS students.

It's never too early—or too late—to start planning for the future.

"7th Hour"

Dear Families,

It has come to our attention that parents receive automated calls stating their student was absent or tardy for seventh hour. Every student has seventh hour which is actually the first twenty minutes of the day that we call Advisory. The system robocalls cause some confusion and we wanted to clarify. Thank you for the understanding!
