Come Celebrate Our Young Researchers And Their Work: Telling True Tales and Cool Facts!

On Wednesday, January 21 We will celebrate our young Hoover researchers as we share our Unit 2 research projects. We are inviting our families to join us as we celebrate our finished pieces! Grade levels will be celebrating in the media center throughout the day! RSVPS will be going home with students tomorrow! We hope your are able to join us for this exciting event!

YMCA After-school Session - January 8

Hoover is also offering another after-school opportunity. The YMCA will be hosting an after-school recreation program every other Thursday. A snack will be provided, and then students will participate in some after-school fun, playing different games. There is a limit of 24 students each week. Students must be picked up at 4:30. We will share the link the week of the event.

Treats, Snack & Lunches

Due to health concerns and scheduling, treats and snacks for any occasion must be arranged in advance with the classroom teacher. All treats and snacks must be store bought and prepackaged in individual servings. No homemade treats or snacks are allowed at school. Treats and snacks may not require refrigeration or a utensil to eat. Also there must be a clearly printed list of ingredients on the packaging. Treats/snacks should be healthy. Parents are asked to leave

snacks/treats at the office in order to prevent distractions in the classroom and protect instructional time. We also ask that parents reserve any balloons, presents, and other party favors for home celebrations. Food from outside vendors without prior approval from the principal may not be brought into the buildings.

PIE Team Meeting

The PIE Team will meet on the first Tuesday of the month. We will meet in the kindergarten room, which is door 7 off of the black top. We meet from 3:30 - 4:30. All are welcome!

Birthday Celebrations At School

Birthdays are an important celebration for all of us! Our Hoover staff understands the significance of birthday celebrations. We want to recognize and celebrate these important milestones with our students, however we believe that birthday festivities are meant for home with friends and family! At Hoover we celebrate our students with a birthday announcement over the school PA and invite our birthday boys and girls to the office to receive their birthday trinkets. The best part of the day is during lunch when the whole lunchroom sings Happy Birthday while the birthday babies are on the stage.

Please note! Students may not bring treats to school to celebrate, as it can be distracting from the learning environment. One last note regarding birthday celebrations. If your family is holding a birthday celebration and want to invite your students classmates, there must be an invitation for every student in the class. If you are only inviting a few classmates, then those invitations should be distributed outside of the school setting. Also, students are not permitted to bring presents for other students to school, such exchanges should be done outside of the school.

Thank you in advance for following all of our birthday policy.

Headphones

Headphones are an important school supply for all Hoover students. Students use their headphones for personal learning using their technology device. If you are able to send in a set of headphones for your student/s it would be greatly appreciated.

Promoting a Safe and Positive School Environment

At our school, the safety and well-being of every student is our top priority. We want to remind families and students that **any threat to harm or kill another student, or any reference to weapons of any kind, will be taken seriously**. Such behavior is not only against school policy but also disrupts the sense of safety that is essential for learning.

Our goal is to foster a positive school culture where students feel supported, respected, and safe each day. Research shows that students learn best in a warm, trusting environment, and we are committed to maintaining that standard for all.

We encourage families to talk with their children about the importance of using words responsibly and treating others with kindness. Together, we can create a school community where everyone feels secure and valued.

Bagel Price Increase to \$1.25

Each Thursday we will be selling bagels for \$1.25. We have salt, plain, everything, and cinnamon. The funds raised through our bagel sale will be used to sponsor our monthly celebrations and other fun events for students. We will begin selling bagels next week, Thursday, September 4.

Student Arrival and Dismissal

Please be reminded that drivers should not get out of their vehicle during drop off time. This disrupts the flow of traffic. If you need to get out of your vehicle, please pull into a space in the parking lot.

Breakfast Information

Breakfast is free for all students each morning. The breakfast doors open at 7:30. Students will walk directly to the gym for breakfast. Breakfast is served until 8:05. Students who enter the building between 7:30 and 8:05 must go to the gym for breakfast.

Cell Phones

Cell phones are not allowed in the classroom. All cell phones must be left in backpacks and remain in crates. Cell phones will be taken from students who choose to have them out. The phone will be taken to the office and a parent will be responsible for picking it up. Please have a conversation with your student regarding our cell phone policy!
