Dear Jardon/Webb Community,

Hopefully everyone is staying cozy and warm in your homes on this frigid day. The weather this week has been a challenge. We are looking forward to getting back to some normalcy next week.

Monday, our Jardon Student of the Month, Joe Turner, will be recognized at the Board Meeting at 6:00 p.m. at the Board Office. We would love to see you there to support. Our Jardon Crusader basketball team will be participating in a tournament at Dakota High School on Friday. This will be one of their first events of the season as a full team. We wish them lots of luck and hope they have a lot of fun playing.

Work reports will now be sent home on Monday, January 26th.

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

Heidi Kunz

If you are looking for ways to support Jardon students and staff, we can always use facial tissue and Clorox cleaning wipe donations. You can drop them off in the office or send them in with your student.

In the wake of the school tragedy in Michigan, many people are wondering how they can keep their schools safe. Michigan's student safety program, OK2SAY, is a national model that ensures every student, parent, teacher, and community member has access to a safe and confidential way to report any concerns about their safety or the safety of others. OK2SAY operates as an early warning system in our schools to help stop tragedies before they start. Remind your students that they have a confidential way to report a tip about safety threats. Tips can be submitted 24-hours-a-day, 7-days-a-week.

- Telephone: 8-555-OK2SAY (855-565-2729)
- Text: 652729 (OK2SAY)
- Email: ok2say@mi.gov
- Website: ok2say.com
- Mobile app: Available in the app stores for iPhone and Android devices

When students make the courageous decision to break the code of silence and speak out against harmful behavior, they equip authorities with the information needed to respond to threats and avert tragedy. And that's a good thing for Michigan schools, communities, and families.

I always wondered why somebody
didn't do something, then I realized ...

I AM SOMEBODY.

Stop the Silence. Help End the Violence.

Hello Families,

Below is a Part 1 of 4 of Increasing Independence. For the next 3 weeks, I will share with you tips for families supporting adults with special needs living at home. Our goal is to increase independence one step at a time!

Jardon Vocational School

Building Independence at Home – Part 1

Daily Routines & Responsibility

At Jardon Vocational School, we believe independence begins with everyday routines. When adults with special needs are encouraged to participate in daily tasks at home, they build confidence, responsibility, and important life skills.

Try this at home:

- Practice a consistent morning or evening routine
- Encourage participation in personal care, laundry, dishes, or cleaning
- Use visual schedules, checklists, or step-by-step directions

Family Tip: Allow extra time and focus on effort—not perfection. Doing part of a task independently is a big step forward.
