Parent Newsletter  
From the Principal*

January 16th, 2026

Dear Jardon/Webb Community,

Well that was a short week! I hope everyone is staying safe and warm during these frigid and snowy days. When snow days occur you should get notification by phone and/or email. Please reach out to the office if you are not getting notifications. On Monday, January 19, there will be no school in honor of Dr. Martin Luther King Jr. There is also a half day on Friday for teacher records. The weather is projected to be very cold next week so make sure students bundle up and dress in layers.

Work reports will now be sent home next Friday due to our shortened weeks.

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at [heidi.kunz@myhpsd.org](mailto:heidi.kunz@myhpsd.org) or 248-658-5953, if you have any questions or concerns.

Thank you,

*Heidi Kunz*

If you are looking for ways to support Jardon students and staff, we can always use facial tissue and Clorox cleaning wipe donations. You can drop them off in the office or send them in with your student.

Teacher Record's Day

Stop the Silence. Help End the Violence.

In the wake of the school tragedy in Michigan, many people are wondering how they can keep their schools safe. Michigan's student safety program, OK2SAY, is a national model that ensures every student, parent, teacher, and community member has access to a safe and confidential way to report any concerns about their safety or the safety of others. OK2SAY operates as an early warning system in our schools to help stop tragedies before they start. Remind your students that they have a confidential way to report a tip about safety threats. Tips can be submitted 24-hours-a-day, 7-days-a-week.

- Telephone: 8-555-OK2SAY (855-565-2729)
- Text: 652729 (OK2SAY)
- Email: [ok2say@mi.gov](mailto:ok2say@mi.gov)
- Website: [ok2say.com](http://ok2say.com)
- Mobile app: Available in the app stores for iPhone and Android devices

When students make the courageous decision to break the code of silence and speak out against harmful behavior, they equip authorities with the information needed to respond to threats and avert tragedy. And that's a good thing for Michigan schools, communities, and families.

I always wondered why somebody  
didn't do something, then I realized ...

**I AM SOMEBODY.**

Stop the Silence. Help End the Violence.

# Karen Soule transition Coordinator

Our students at Jardon work hard every day at a variety of community job sites. These experiences include clerical work, custodial services, food preparation, retirement homes, and even opportunities at the Detroit Zoo! Throughout the school year, students participate in three job-site rotations, allowing them to explore different types of work and build valuable skills.

Before students attend a job site, Teachers, Job Coaches, and the Transition Coordinator work together to ensure each student is "Work Ready." Being work ready means a student is prepared, regulated, and able to participate successfully in the work environment. This includes:

- Being calm, focused, and ready to work
- Demonstrating good hygiene, including a clean body, clean clothes, fresh breath, and groomed hair
- Being free of strong odors
- Wearing clothing appropriate for the job site
- Wearing their school ID

Our goal is for every student to feel confident and successful at their job site. Getting enough rest, eating a good breakfast, and arriving clean and ready for the day are great first steps toward workplace success!
