Dear Jardon and Webb Families,

What a wonderful week at Jardon! It has been exciting to see our students working hard, building vocational skills, and taking pride in the many opportunities available to them.

We had our first greenhouse sale of the year this week selling mums as well as some additional fall plants and micro business items. Thank you to those who were able to visit and support us! We really appreciate you! We have several more sales scheduled throughout the school year.

Webb SXI has picture day scheduled on Wednesday, October 7. All students will be photographed even if you choose not to purchase a package.

Mark your calendars for Parent Teacher Conferences coming on October 22. More information will be sent out soon regarding scheduling a time to meet with our teachers and ancillary staff. We hope you are able to reserve some time to come in person.

As always, please don't hesitate to reach out with questions, concerns, or celebrations. We love hearing about the successes our students are having both at school and at home.

And don't forget to follow Jardon Vocational School on Facebook for regular updates, pictures, and celebrations of the amazing things happening at Jardon!

In Partnership,

Heidi Kunz

JUST FROM JESSI TRANSITION COORDINATOR

This week we welcomed back our fall Mum Sale! Students worked hard in the greenhouse keeping it maintained and ready for customers. Student workers watered the mums, kept our inventory neat, supported customers, and promoted some of our microbusinesses. Thank you to those that came out and supported us!

Our school store is open year round if you are ever looking for a chance to purchase our student made goods. We sell our student-made dog biscuits, laundry soap, sugar scrubs, a variety of textiles (bookmarks, gnomes, windchimes, decorations), doormats, greeting cards and more! Please consider supporting our students and engaging in these vocational activities with us.
