

October 30th, 2026

Dear Jardon and Webb Families,

We had a great turnout for our first Fun Night of the school year! Attendees participated in a costume contest and many games and activities. It was a spooky fun time!

As we approach November our adult programs are entering into our final 3 weeks of this work rotation. It's hard to believe we are here already. Our SXI program ended their first card marking today and will have progress reports sent home next week.

Don't forget to turn back your clocks this weekend. We get to enjoy a much needed extra hour of sleep.

We are working on creating a community service project for our students to take part in by starting a little free community food pantry box where anyone can come take what they need. In preparation, we are taking donations of non-expired non-perishable food items for students to be able to stock the pantry. The pantry will be a small enclosed share box that will be located outside of the building.

As always, please don't hesitate to reach out with questions, concerns, or celebrations. We love hearing about the successes our students are having both at school and at home.

And don't forget to follow Jardon Vocational School on Facebook for regular updates, pictures, and celebrations of the amazing things happening at Jardon!

In Partnership,

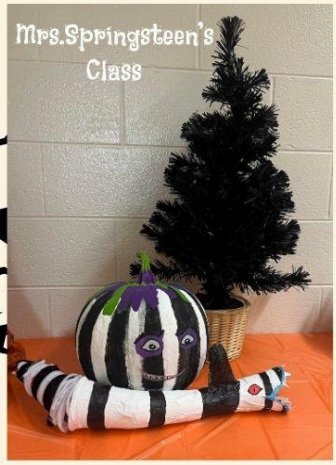

Heidi Kunz

When we think about employment, we often think of the technical skills that are needed for a specific job, but more importantly, we should focus on nontechnical skills, or soft skills. Every job requires employees to engage with others in some way. Soft skills are transferable and can be used regardless of job title. It is so important to highlight your soft skills on your resume!

Sexuality Education for People With Developmental Disabilities:

A Workshop Series for People with Developmental Disabilities

Like anyone else, people with disabilities have sexual feelings and needs. We believe that people with disabilities have a right to access education, so we'll be offering a 22 week series based on the Elevatus Training Curriculum to individuals with an intellectual or developmental disability in Oakland County.

Learning Objectives:

- Learn what sexual self-advocacy is
- Learn about why it is hard to be a strong sexual self-advocate
- Learn how to build your sexual self-advocacy skills
- Know your sexual and relationship rights
- Dispel myths and replace them with positive messages
- Know where to go to for help if your rights are violated
- Practice speaking up for yourself about your relationships and in your relationships
- For most people 16 years old and up
