School Smiles Dental

The dentist is coming to HPHS in the fall. This school year, we are using School Smiles. The School Smiles dental program provides

on-site dental care at our school for ALL students that sign up to participate. The dental team will set up inside our school, and they accept Medicaid, private insurance, offer self-pay rates and grants through their foundation. School Smiles will be at Hoover and HPHS on **Friday, October 9, 2026**. Registration is now open online at: www.schoolsmiles.com/student-signup.

Attending sporting events and extra curricular activities

Any students attending HPHS after school events must show school issued ID or be able to show their PowerSchool account on their cell phone. Any HPJH students must do the same and be accompanied by an adult.

After school tutoring daily Monday-Thursday

Tutoring will be offered daily Monday - Thursday in the Media Center after school.
