### From the Principal

Dear Webb Families,

We hope you will consider joining us at Webb on Tuesday night for our next 'Build Up the Park' parenting series. The theme for this event is Navigating Technology and Child Wellness. This is an important topic for all of our families. Food will be provided and there will be childcare available so the whole family can attend. We hope to see you there.

Sincerely,

*Corri Nastasi*

Principal, Webb Elementary

Reading at Home - 30 Minutes - Every Student - Every Day

### YMCA SportPort

The next SportPort event will be this Thursday, January 15th, 2026. Please sign your child up online at this [link](#) if you would like them to attend:

### Bagels

Bagels are for sale on Wednesdays for \$1.25 each. We offer salt, plain, cinnamon raisin & onion. Students who are late will NOT be allowed to buy a bagel unless they have a doctor's note for their tardiness.

## Webb Science Night

We hope you will join us for this fun family night coming up on January 28, 2026.

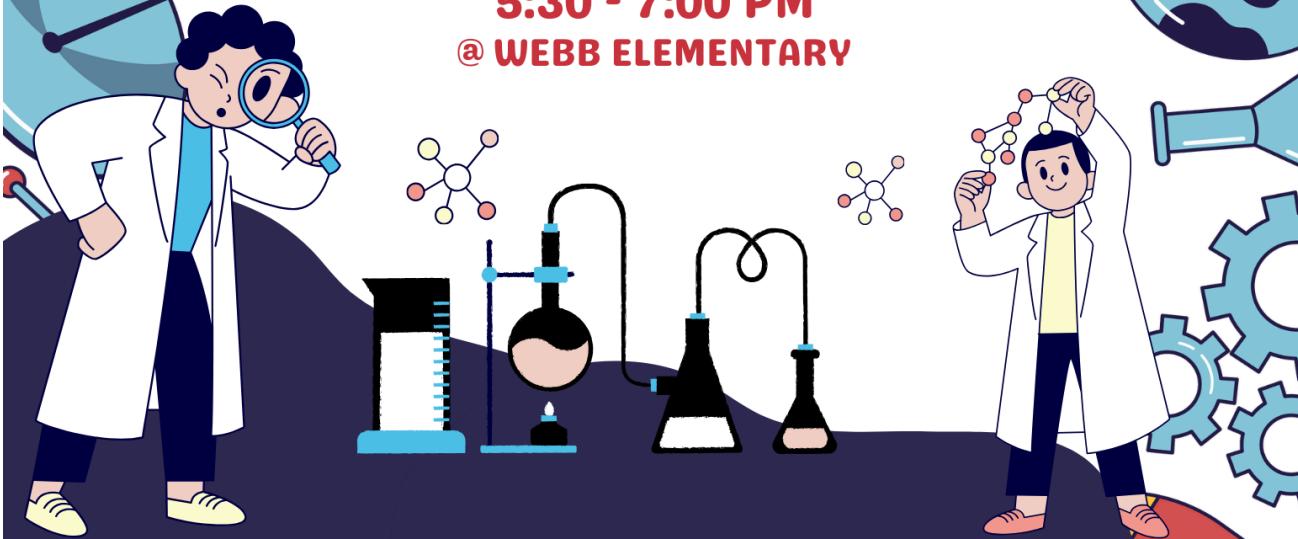

We will be  
serving pizza  
in the  
Cafeteria!

Webb Elementary

# SCIENCE NIGHT

Dive into an evening of discovery and hands-on fun as Cranbrook brings 14 exciting science stations to explore! From interactive experiments to curious creations, there's something for everyone to enjoy. Children's nonfiction projects will be posted throughout the school for families to view, so be sure to walk around and see all of their amazing work on display. We can't wait to see you for a night of learning, laughter, and science!

## January 2026

### From the teacher Mrs. McClenahan:

One of my favorite things of being an Art teacher is when my classes get in the rhythm of art making and students take ownership over their learning. This usually happens this second half of the school year. Routines have been established, artists know where to find their own materials, and there's more time to be productive. It's also perfect timing for our focus on our Science Night projects. This year we are trying some new mediums and approaches. I hope to see many families here at Webb on January 28th!

### Projects & Focus:

#### Young 5's & Kinder & 1st grade:

Snowy Tree Landscapes  
Animal Portraits - collage

#### 2nd & 3rd grades:

Clay bugs  
Extreme Weather Fold-outs

#### 4th & 5th grades:

Animal Adaptations Art  
Ecosystem quad fold Landscapes

### Projects & Focus:

#### ASD & C.I. :

watercolors  
painted paper

### Reminder:

*"Art is messy!"*

We will use paint and other messy mediums periodically. Please send your artist to school on their art days in clothing that you feel comfortable getting messy.

\*Most supplies are washable.

welcome to the  
**Artist Studio**  
**January 2026**

**Highlights:**

Above: 2<sup>nd</sup> graders have been working hard on their clay bugs! Once they have been fired in the kiln they will glaze their bugs with accurate colors. So exciting!

**Highlights:**

Above: Artists from our Young 5's class made their own painted paper, traced out shapes, and assembled their Snowy Trees Landscapes.

## January 2026

### Highlights:

Above: 1<sup>st</sup> grade artists drew their animal portraits with me, then they ripped painted paper to create an overlapped collage look. Once finished these will be on display at our Science Night.

### Needs:

- \*crochet hooks
- \*Legos
- \*craft items
- \*hot glue guns & sticks

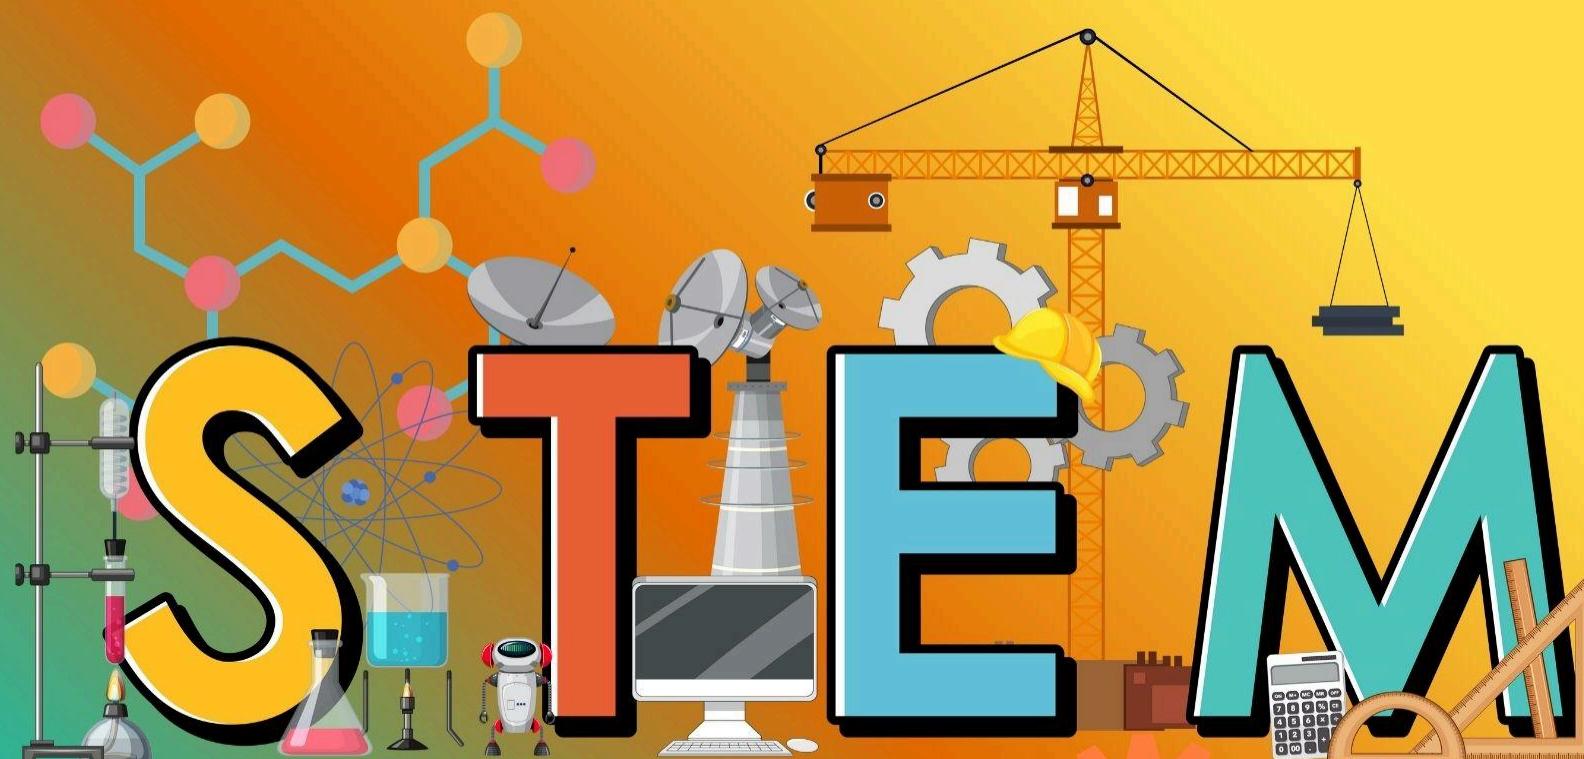

email me at:
