2/23/26 - Students Return
2/26/26 - Student of the Month Breakfast 7:30 PM

From the Principal

Dear Webb Families,

I hope you all enjoyed a few extra days with your kids last week as school was closed for the winter weather. As we are heading into the third quarter (the end of the second quarter is this Friday) I, again, want to remind you about the importance of reading at home. While the school offers incentives for reading at home, the responsibility for completing this falls on the shoulders of our families. This is so important that this is the only assignment of homework we give. We have many students tell us they don't read, but their parents sign their logs. We have this initiative to improve the reading skills of our students. We offer prizes for families who make this a priority and do their homework. Please help to make this an important priority at home. We know there are busy nights and that is why there are options to read on the weekend to make up for it. Reading practice is essential to growth. Students who aren't growing in reading will struggle as they get to the grades where reading is critical for learning. Please partner with us to make sure this practice is happening at home.

Sincerely,

Corri Nastasi

Principal, Webb Elementary

Reading at Home - 30 Minutes - Every Student - Every Day

YMCA SportPort

The next SportPort event will be this Thursday, January 29th, 2026.

Bagels

Bagels are for sale on Wednesdays for \$1.25 each. We offer salt, plain, cinnamon raisin & onion. Students who are late will NOT be allowed to buy a bagel unless they have a doctor's note for their tardiness.

Bagels for the 2nd half of the year

We are offering parents the opportunity to make ordering bagels a little easier. If you would like to purchase bagels for the second semester (16 weeks), you can pay \$20 this week and we will reserve a bagel for your child every week for the rest of the year. Just send in the \$20 with your student in an envelope and let us know that you would like to order them for the year. If you want your child to have two bagels each day, you can send in \$40, etc. We hope this will make things a bit easier for busy families. Bagels will still be available on a weekly basis for \$1.25 each

Life Club K-2

Students in Kindergarten through 2nd grade, please join us on Tuesdays right after school until 4:30 to learn about the Bible. Our club meetings start on January 20th and will continue until April 21st. The first 15 students who register are in the club! Snacks are provided. Promptly at 4:30, students will wait for pick-up near the parking lot drop-off area. This after school club is not part of the regular district curriculum. Please email, if you have any questions!

*VERY IMPORTANT: I will communicate any schedule changes through email. Please let me know if you need another form of notification.

Please use this QR Code or fill out
the back and return to register:

Cold Weather

We try to go out for recess as much as possible so the students get some fresh air and exercise. The cutoff temperature is 20 degrees with wind chill factored in. Please make sure that your child brings appropriate gear to school to keep them warm during outside recess. If there is snow on the ground the students will ONLY be allowed to play on the playground if they have winter boots on. If they don't have boots they must stay on the sidewalk area. We do have some donated winter items if your child is in need - reach out to the school office to see if we have any items that would fit.

Webb Science Night

We hope you will join us for this fun family night coming up on January 28, 2026.

We will be
serving pizza
in the
Cafeteria!

Webb Elementary

SCIENCE NIGHT

Dive into an evening of discovery and hands-on fun as Cranbrook brings 14 exciting science stations to explore! From interactive experiments to curious creations, there's something for everyone to enjoy. Children's nonfiction projects will be posted throughout the school for families to view, so be sure to walk around and see all of their amazing work on display. We can't wait to see you for a night of learning, laughter, and science!

January Music Class Newsletter

WHAT'S HAPPENING THIS MONTH IN MUSIC?

- K- Singing Up and Down
- 1 - Rhythm / Review 4 Types of Voices / Preparation for Singing
- 2 - Singing Solfège and Partner Songs
- 3 - Modern Ukulele Lab
- 4 and 5 - Modern Recorder Lab

Modern Ukulele / Recorder Lab: In music class this month, third graders are diving into our **Modern Ukulele Lab**, learning basic chords, strumming patterns, and ensemble skills. Fourth- and fifth-graders are working in the **Modern Recorder Lab**, where students have been given their own recorders to practice at home. Regular practice is encouraged as students work through their music and earn recorder "belts," progressing all the way up to black belt. It's exciting to see their dedication and growth as young musicians!

WINTER CONCERT 2025

Kindergarten, First, and Second Grade students had an excellent concert this past December! We are so proud of their accomplishments.

Support Our Music Classroom & Care Closet!

I'm so grateful for the amazing support our music program has received, and I'm excited to share two new DonorsChoose projects that will make an even bigger difference for our students! One project focuses on replacing the rest of the chairs in our music classroom so every child has a comfortable place to learn and grow musically. The other supports our Care Closet, providing essential materials that help meet students' needs with dignity and care. If you're able to give, even a small contribution makes a big impact! Thank you for helping us keep the music going and our students supported! ❤️🎵 See the QR code to the right. Thank you!

COMING UP IN FEBRUARY:

- **Kindergarten:** Singing Patterns of 2, 3, and 4
- **1st Grade:** Lines and Spaces / Intro to Treble Clef
- **2nd Grade:** Melodic Direction and Phrases
- **3rd Grade:** Modern Ukulele Lab
- **4th Grade:** Modern Recorder Lab
- **5th Grade:** Modern Recorder Lab
